ABOUT ME

UI/UX designer and Front end developer, with 1.5 years of experience with different types of clients, different personalities and multiple tastes, I have learned to handle this variation of tastes and come out with a design who satisfy the majority of clients.

SKILLS & PROFICIENCIES

- Front End: HTML, CSS, JavaScript, React JS, sass, Bootstrap
- UI/UX design: Adobe xd, Figma, Adobe illustrator

CERTIFICATION & VOLUNTEER WORK

- **UI/UX Design**

It Ronix Solutions • 2021 improved my UI/UX design skills and helped me know more about the user experience design

- **the fundamentals of digital marketing**

Google • 2021

This certificate has improved my digital marketing skills.

- **BASIC ENGLISH 2: PRE-INTERMEDIATE**

King's College London • 2021

It helped me learn English, and that's what opened new doors for me to learn more about programming and design.
